Hope Johnson	ESHF
Elizabeth Leland	EC
Mark Levenson	EPHA
Patty Pollitzer	OGC
Greg Rodgers	EC
Bruce Schwartz	FO

Non-CPSC

Richard Rondeau Michigan ATV Association

Summary of Meeting

Mr. Rondeau, President of the Michigan ATV Association (MATVA), requested a meeting with CPSC staff to discuss MATVA's ATV safety training programs.

Mr. Rondeau described the state of Michigan's mandatory requirement for training for ATV riders under 16 years of age and discussed the seven-hour training program that is provided by MATVA. Mr. Rondeau played a videotape of a recent training session in Michigan that showed the range of sizes of children under 16 years of age. He discussed what he believes are problems with the engine size/age guidelines that were developed as part of the consent decrees and ATV action plans that were agreed to by the ATV industry and the Consumer Product Safety Commission (CPSC).

Mr. Rondeau provided the staff with two handouts: "Michigan's Off-Road Vehicle Guide" and "Creating a Positive ATV Future". For more information about these handouts, Mr. Rondeau can be contacted at MATVA's Web site: www.miatvassoc.com.
